Exact Editions Subscriptions Now Accessible Through OpenAthens

Libraries who utilise OpenAthens can now access Exact Editions digital subscriptions through the service, allowing staff and students seamless access through their existing institutional accounts.

The launch means that existing and new users can access institutions' Exact Editions subscriptions on site or remotely through a single set of credentials, ensuring a simpler user journey.

Institutional digital subscriptions are available here: <https://institutions.exacteditions.com/>

International Sales Manager Kieran Prince said: "We're delighted that Exact Editions subscriptions are now accessible with OpenAthens software, which allows library users to browse all content in one place."

Daryl Rayner, Managing Director of Exact Editions, said: "Institutions will benefit from this new feature that deepens Exact Editions' integration into library systems around the world."

About OpenAthens:

OpenAthens, part of Jisc, develops and supports identity and access management software. With a mission to remove barriers to knowledge and connect people to information, the software is used by over 2,600 organisations and has over four million end-users.

About Exact Editions:

Exact Editions is a digital publishing company based in London. They are a team of producers, developers and designers who turn periodicals with archives into dynamic, user-friendly digital editions. Exact Editions specialises in digitising content and selling subscriptions across web, iOS and Android platforms, for individuals and institutions.
